ABOUT US

Station Taxis can trace its history back to 1901 when a gentleman by the name of Monkhouse 'Yorkie' Graham began operating his horse drawn cab. Today we are proud to still be part of the everyday lives of the people of Sunderland and the surrounding area, making over 1 million journey's a year.

Now with almost 200 vehicles and a state-of-the-art Call Centre we are the largest taxi company in the Sunderland area. Our high driver standards and commitment to technology to support their work gives us an edge that our customers benefit from daily.
